## New Limited Edition Kit for OM-D E-M10 Mark II

Limited edition body with a brown synthetic leather body cover and dedicated accessories to be available in limited quantities.

**SYDNEY – 27 January 2016**

Olympus Imaging Australia is pleased to announce the release of the OM-D E-M10 Mark II Limited Edition Kit, as a special version of the OM-D E-M10 Mark II Compact System Camera. This special kit version features a limited edition camera body with a synthetic leather body cover and a set of dedicated and unique accessories.

The OM-D E-M10 Mark II is the latest model in the Olympus OM-D series that has been highly praised for its design and performance. It is equipped with the powerful 5-axis image stabilisation inherited from the high-end OM-D camera models that effectively reduces camera shake in to provide excellent handheld image quality. The new limited edition model is functionally identical to the regular, non-limited version.

The OM-D E-M10 Mark II Limited Edition Kit consists of a brown synthetic leather body covering, an ultra-compact standard zoom lens - the M.Zuiko Digital ED 14-42mm f3.5-5.6 EZ in silver, a genuine leather shoulder strap that is colour coordinated to the camera's body cover, and a metal lens cap. The premium strap and lens cap are unique to this limited edition kit and will not be available separately.

## FURTHER DETAILS

The Limited edition kits consists of the limited edition OM-D E-M10 in Brown leather, matching premium genuine leather camera strap and premium lens cap.
